

Northern Periphery and Arctic

Testimonial

The purpose of this template is to capture the experience of end users and other relevant stakeholders with the project's impact. The Interreg NPA will use the information to promote project results, both in the programme area and in a wider European context.

Instructions: please complete one testimonial form per person. This form should be uploaded by the project for the relevant project result.

A. Identification

Name	
Organisation name (if applicable)	
Position (if applicable)	
Location	
Project	
Connection to the project Please briefly describe how you are connected to the project, e.g. associated partner, participant in a project activity, etc. Be as specific as possible.	

B. Testimonial

Testimonial Please provide a brief statement, for example, describing your experience with the project, or explaining what positive change the project brought, or how an issue was solved.	
---	--

C. Supporting materials

If relevant, please provide any relevant links, e.g. to articles, videos.	
--	--

If possible, please attach your portrait picture and up to 3 photos relevant to the testimonial, including the photo credits.

D. Confirmation

Date of completion	
---------------------------	--

☐ By submitting this testimonial as part of the supporting documents for the project report, I give the Interreg NPA the right to use the materials and duplicate them in different publications, websites, etc. Personal contact details will be treated in accordance with the Interreg NPA's data handling policy, [link](#).
